

Little Ah Sid, the Chinese Kid

HIS NEW AMERICAN SAILBOAT BREAKS AWAY FROM HIM, BUT DEAR, KIND GRANDPA GOES TO THE RESCUE

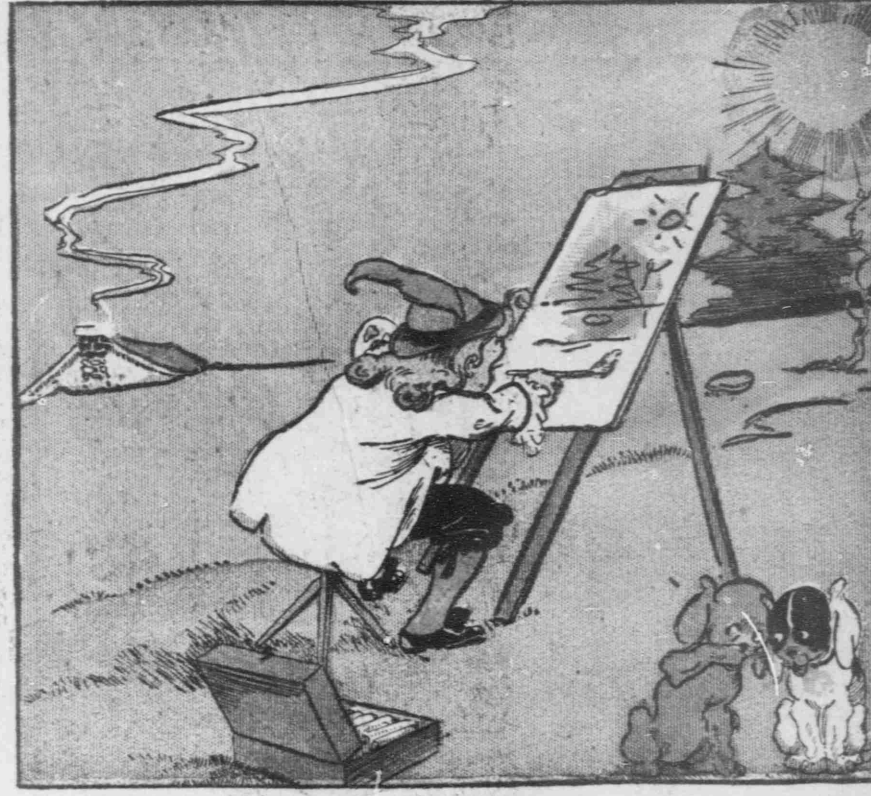

Bobbie Binks and His Pair of Pups

1—Bobbie tries his hand at Art:—
Pups are anxious to take part.

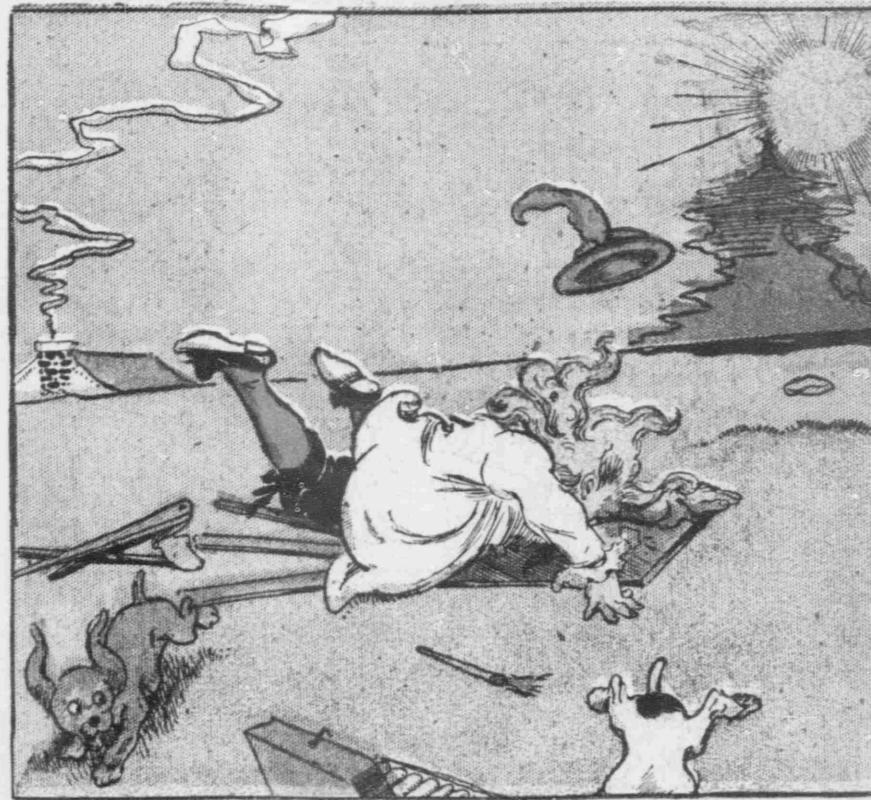

2—Bobbie says: "Don't bother me,
Or I'll paint you. There, you see!"

3—Puppies study how they can
Get revenge. "Ah! Here's a plan!"

4—"We'll just tip him over so.
One! Two! Three! Now let her go!"

5—Bobbie, with more force than grace,
Falls down flat upon his face.

6—Sketch transferred to Bobbie's coat;—
See those wicked puppies gleam!
